1. [ ] Talked with General Roderick, Office of Secretary of Defense, Legislative Affairs, giving him the background of Mr. Vinson's request for a briefing on the reliability of Soviet and U. S. ICBMs. General Roderick was most appreciative of learning this additional information.

2. [ ] Delivered to Jay Sourwine a copy of a classified letter which Mr. Houston sent to Abba Schwartz of the Department of State dated 22 July 1964. Mr. Sourwine furnished to me temporarily a copy of the most recent letter from [ ] to Senator Eastland with respect to the subpoena for [ ] appearance on 10 August. Generally the letter states that [ ] cannot make this date. Sourwine requested suggestions from the Agency as to appropriate action.

3. [ ] Talked with William Darden, Charles Kirbow, and William Jordan attempting to work out some means of arranging a meeting between Senator Russell and Mr. McCone. It was indicated that Senator Russell was well aware that the Director wishes to see him but in fact he has been extremely busy on Committee matters. It was indicated that the Director's request was very much on the table and we will be contacted as soon as possible. We, of course, will continue to keep in touch.
